Though the Senior Surgeon states that there is the required ~~no of persons~~ strength of officers two of the Lady officers can not be taken into account as they can not be expected to fill in the places to which men are usually posted

It is not possible to guage the actual requirements in the absence of a Specific list of Charges requiring Assistant Surgeons further a readjustment of Asst Surgeons and Hony Asst Surgeons may be sufficient to meet the situation for eg the Asst or Hony Asst Surgeons attached to District Hospitals or L.F. Dispensaries may without inconvenience be withdrawn and posted to more important charges their places being occupied by ~~the~~ the Medical graduates who are now nearly 20 in number and who are working as Sub Asst Surgeons of the 1st class—

So long as two Assistant Surgeons have to be allowed to the Military Department, the scale has to be taken as temporarily raised by one. There are however no definite orders for treating the scale as thus temporarily raised

As, however, there are two Assistant Surgeons employed on Military duty we have to take the number as 29 permanent and 2 temporary, ~~as the scale~~ for the charges of the Medical and Military Departments and for the Krishnaraja Sagara Works.

General & Revenue Deptt., Bangalore.

Sir,

With reference to the list, showing the distribution of Assistant Surgeons, forwarded with my letter No. G.C. 283-2 dated 28.11.17, I have the honor to state that the No. of Assistant Surgeons now on duty in the Department, (Viz. 32), is composed of 29 permanent hands and 3 supernumerary officers noted in the margin (the last of whom is expected to join duty on 1st December 1917.)

Mr. D. S. Puttanna.
Mrs. Perriton.
Miss. Virasinghe.

Of the 29 permanent hands, one Assistant Surgeon (Mr. F. Noronha) has recently been transferred to the Military Department during the period of the present war, (Vide Government Order No. 5718-20 Mily 60-17-34 dated 19.10.17) and two officers have been transferred to the Sanitary Department, in accordance with Government order No. 272-82/San.7-17-1, dated 13th July 1917. Supposing that the appointment of Mr. Puttanna (Supernumerary) has to count for one of the above three vacancies, the other two temporary vacancies admit of two temporary appointments being ordered in the last grade of Assistant Surgeon on Rs.80/-.

It is perhaps unnecessary to add that Assistant Lady Medical Officers cannot be posted to charges held by Assistant Surgeons and that the appointment of the two ladies referred to will not meet the wants of the Department

Sir,

With reference to your memo No. 4251-San.73-17-3, dated, 1st February 1918, forwarding with reference to my letter No. 277, dated, 12th October 1917, a copy of your letter No. 4250, dated, 1st February 1918 to the Sanitary Commissioner in Mysore, I have the honor to submit that neither the letter nor the memo forwarded to me disposes of my request made in the said letter, viz., the reversion of the two officers from the Sanitary Department, to relieve the pressure for hands in the Medical Department.

On the expiry of the period of 6 months for which their services had originally been ordered to be lent, the two officers were sent back by the Sanitary Commissioner to the Medical Department and were posted by me to Saklespur and Seringapatam.
